LEY DE TRANSPARENCIA Y ACCESO A LA INFORMACION PUBLICA DEL ESTADO DE SAN LUIS POTOSI

El 18 de octubre de 2007 mediante el decreto 234 fueron publicadas en el Periódico Oficial del Estado la reforma a la Constitución Política de Estado en la que se adiciono el capítulo I Bis al Título Tercero, denominado "De la Comisión Estatal de Garantía de Acceso a la Información Pública" y por ende se adiciono también el artículo 17 bis, así como en el artículo segundo transitorio de la propia Constitución Local se aprobó para formar parte de un solo cuerpo normativos las iniciativas de la Ley de Transparencia y Acceso a la Información Pública del Estado; de la Ley de Protección de Datos Personales para el Estado; de la Ley de Archivos Administrativos del Estado y Municipios de San Luis Potosí; y de la Ley de Archivos para el Estado. Con estas reformas a la Constitución Local y la creación de las leyes mencionadas, básicamente se consagra no solo el derecho a la información, si no el acceso a la misma para todas las personas; los límites al derecho a la información respecto de seguridad pública y el derecho a la privacidad a los particulares, por lo que constituyen las excepciones a la regla; el derecho de toda persona acceder a la información sobre si misma o sus bienes asentadas en archivos y registros; la creación de la Comisión Estatal de Garantía de Acceso a la Información Pública como un organismo público con autonomía presupuestaria, operativa, de gestión y decisión encargado de garantizar y revisar el cumplimiento de la nueva Ley de Transparencia, con plena independencia y con poder para investigar toda irregularidad cometida por los sujetos obligados a proporcionar la información, así como aplicar sanciones pecuniarias a los Entes Obligados por incumplimiento de la Ley de Transparencia y por no acatar sus resoluciones; se crea el Sistema Estatal de Documentación y Archivo dependiente de la Comisión para dictar los lineamientos, criterios técnicos y

aplicar las regularizaciones que se establezcan en materia de administración y sistematización de la documentación e información en posesión de las entidades publicas; y se establece la integración de la Comision la cual deberá ser por personas que cumplan con estrictos estándares de profesionalismo, independencia y competencia a los cuales se les otorga la protección Constitucional en materia penal y la inamovilidad con las excepciones previstas en la misma Constitucion Local. Esta nueva Ley entro en vigor seis meses después de su publicación y por ende, quedo abrogada la Ley de Transparencia Administrativa y de Acceso a la Informacion Publica del Estado.
